

Welcome to the 2011 golf season at Georgetown Country Club! I'm proud to be a PGA Professional associated with GTCC and I enjoy helping everyone to appreciate the game of golf.

I've been in the golf business for nearly 20 years, mostly in Georgia as the head golf professional of a large semi-private facility north of Atlanta. Since moving to Ann Arbor for my wife's doctoral studies at U-M, I've been working full-time at Dick's Sporting Goods in Westland (since golf is not year-round as it is in GA). I enjoy making the most of the shortened golf season in MI by giving lessons during my days off and evenings at GTCC.

Working with members is one of my favorite aspects of the golf business. I take great pride in "Keeping it Simple," so it's easy to implement and practice what we focus on in lessons. Please take the time to look over my rates on GTCC's website and contact me if I can help you out in any way. Here's to a great 2011 season and more fairways and greens!
