## President's Column

I know that our current weather conditions may not have you thinking about hitting the links or heading over to the pool, but the truth of the matter is that we're only a couple of months away from that being reality. The seemingly endless days of wind chills in the teens and grey skies will soon give way to much needed sunshine and 70 degree temps---YEAH!!! In preparation for this transition, a number of things are happening at Georgetown to help us get ready to start the season off right.

First off, please remember to send in your annual membership form. These forms were sent out last fall and contain both new and revised membership categories for the 2008 season. If you've misplaced your form, please check the club website and download a PDF copy that you can complete. You can also call the club or email Brenda ([brenda@georgetowncc.org](mailto:brenda@georgetowncc.org)) with any additional questions.

Speaking of memberships, this is my monthly plea for your support in helping us grow our club...**WE'RE LOOKING FOR NEW MEMBERS!** Please speak to your friends, neighbors and co-workers about all that GTCC has to offer...a tremendous pool, family atmosphere and an excellent golf course. Remember, you belong to Georgetown for a reason, share that information with others and see what happens.

Finally, our monthly Board of Directors meeting is scheduled for Tuesday, February 19<sup>th</sup> at 7:00PM in the clubhouse. Please join us if you're available.

Best regards,  
Eric Stepnitz  
2008 Board President

## ***Aquatics Committee Volunteers Needed***

We need your help more than ever this year! If you have a child who swims or dives, PLEASE consider helping out with a special event this season. These special events, like the top of the pool parties and spaghetti dinner, are great experiences for the children but they also allow us to raise enough money to pay our coaching staff competitive wages!

If you would like more information about how you can get involved and what the commitment entails, please contact GM Brenda Thoeny-Johnson via email at [Brenda@georgetowncc.org](mailto:Brenda@georgetowncc.org) or phone 971-5500. We cannot have a successful season without volunteer help, so please consider joining the committee to ensure your children can continue to enjoy all the wonderful swim/dive/synchro opportunities that have been offered in the past!

## ***Wine Tasting Membership Event***

The Club is hosting a wine tasting event at Paesano's on March 29th, 2008 and we would like you and a non-member couple to join us for an evening of food, wine and great company! This is a great way to kick off the 2008 season and reunite with friends you have not seen since the summer. The official invitation will be arriving at your home soon but we would like you to save the date now so you will not miss this opportunity!

## ***Membership Survey***

The Club will be conducting a phone survey during the month of February that will help us determine how we can better serve you in the future. We would like to encourage all members to take a few minutes to answer the questions that our volunteers will be asking. Your input is greatly appreciated and will help the Club continue to grow and improve. We are looking for volunteers to help with this process. The training will be held on Monday, February 11th at 6:30 p.m. in the clubhouse. If you are interested in helping with this process, please contact GM Brenda Thoeny-Johnson!

## *Teen & Tween Committees*

We are always asking our adult members to get involved and join a committee at the Club, now it is time for children to join a committee! We would like to have the youth of the Club help determine what social events are offered throughout the 2008 season. The teen committee is open to anyone entering the 8th -12th grades. The tween committee is for anyone entering the 5th - 7th grades. The committees will help plan social events that they will be able to invite their non-member friends to attend! If you have a child who you think would be interested, please contact GM Brenda Thoeny-Johnson. The committees will meet on the following dates:

**Tween Committee: Wednesday, February 13th 6:00 - 7:00 p.m.**

**Teen Committee: Wednesday, February 13th 7:00 - 8:00 p.m.**

Please let GM Brenda Thoeny-Johnson know if your child will be attending!
