President's Column

The Georgetown annual meeting is scheduled for Tuesday, November 20th at 7:00PM in the clubhouse. At this meeting we will announce the new Board members and approve an operating budget for the 2008 season. Ballots for the GTCC Board of Directors elections will arrive in your mailbox over the next couple of days. **Please be sure to make your selections and submit your ballot according to the instructions.**

As we make this transition, I'd like to take this opportunity and thank outgoing Board members Darlene Wahlberg and Dan Foster for their service to Georgetown. Darlene served on the Board for 3 years and continues to be very involved with our membership committee. Dan joined the Board this year to complete the term of another member that resigned. Thank you both for giving your time and energy to Georgetown. I sincerely enjoyed working with you and appreciate your willingness to be involved members!

Finally, although we've entered the traditional off-season at Georgetown, we're making an effort to stay connected with a new activity... "Euchre Night at GTCC". New members Tracy and Dave Hamill have agreed to organize and host a monthly card playing night in the clubhouse. Please stay tuned to future newsletters and emails for dates and times. Remember, you can also find this information on the GTCC website at: www.georgetowncc.org. Thanks Tracey and Dave for putting this together!

Best regards,
Eric Stepnitz
2007 Board President

Board of Directors Candidates

Alan Matney

My name is Alan Matney and my family joined the club in the summer of 2003. I have been married for 21 years to my lovely wife Kathy, we have 3 children, Jason, Bryan and Laura. Our family currently participates on the swim/ dive team and all family members utilize the golf course. Bryan and Jason both swim in the off season for the Saline Stingrays and Laura has proven herself as a true aquatics performer as she is a member of the swim, dive and syncro team. Georgetown is a place where my family can gather with friends to relax and enjoy outdoor activities.

I have an engineering degree from THE University of Michigan with an MBA from Eastern. I have worked in automotive industry for over 20 years designing, developing and delivering cost competitive interior designs. I hope to contribute to the GTCC organization by offering my services as a Board Member.

Bill Kincaid

I am presently a member of the Board of Directors, appointed to fill out the unexpired term of Adriana Nichols. I am requesting that I be considered a candidate for election to a full term. I will bring to the board a broad administrative and financial background and believe I can make a significant contribution to its efforts.

I have been a club member since 1976. We had a family membership while our children were at home, kept a social connection for several years thereafter, and I took a senior membership when I began playing golf. I am active in two golf leagues at the club: the Tuesday morning Senior Mixed League and the Wednesday evening Men's League. I am presently serving on the Board's Golf and Membership Committees. In addition, I have been actively involved in the Junior Discretionary Evaluations.

I am a retired USAF officer and have had extensive experience in inter-agency activities. I served in Vietnam in 1968-69 and ended my career on the faculty of the Air Force Command and Staff College.

I came to Ann Arbor to obtain a Ph.D. in International Relations/Russian Studies, but did not complete my degree. I remained with the university in administrative positions and as an instructor in the Political Science Department. I am also retired from the University.

From 2002-06, I was an elected member of the Ann Arbor District Library's Board of Trustees and participated in the successful resolution of the long-standing impasse in the contract negotiations between the Board and the unions and in the design/building/opening of three library branch buildings. I was the Board's Secretary for two years and served on the personnel (Chair, 2005-06), budget and finance, community relations, and technology committees.

In Ann Arbor, I have been very active at my church, First United Methodist, and held several key lay staff positions; I sing bass in the church choir. For many years, my wife and I have participated in the annual "Messiah" community sing-along; Betsy is the organist for this performance.

I am a bagpiper with the Ann Arbor Pipes and Drums and have been elected twice as the band's manager, sharing leadership responsibilities with the Pipe Major. My specific duties include the scheduling of performances and parade dates, negotiating payment as appropriate, arranging for rehearsal space and payment as appropriate, and publicity.

Maureen Frost

My name is Maureen Frost and I would like to serve on the Board of Directors for Georgetown. I have been a member of Georgetown for over 15 years. The first part of my membership was as a youth when my parents moved to the Georgetown neighborhood and joined the club. I participated on the swim team, learned to play tennis and golf at GTCC. The second part of my membership started in the summer of 2002 when my family, my husband, Cameron, and my two daughters, Meaghan, and Emily, joined the club.

Our family truly enjoys our membership and uses the facilities daily. Meaghan and Emily are members of the swim team. We have participated in golf lessons, leagues, tennis lessons and social outings. I have volunteered and participated as part of the Aquatics committee. I have also served as a member of the Membership committee. We have shared many great times with family, and friends, both old and new. By serving on the Board, I hope to contribute to the continued growth and vitality of GTCC.

Euchre Night at GTCC

GTCC Members,

The first Euchre night was such a success we're planning another. The next one will be **Friday, November 30th**. The cost has been reduced to \$2.50 per player, payable that evening. Please bring an appetizer/hors d'oeuvre/dessert to pass; beverages are BYOB. Beginners are welcome.

If you're interested in playing (or have questions), please email gtceuchre@yahoo.com or call Dave or Tracy Hamill at 944-8189 with the name(s) of the interested player(s) (members only) and their phone numbers by **Monday, November 26th*****.

Play will be from 7:30 pm to 10:30 pm but please **arrive 15-30 minutes early** to help set up and help teach anyone that needs it. The plan is to stop the games around 10:30 pm so we can be cleaned up by 11:00 pm.

***Because we need exact multiples of four to fill tables, whoever commits by the deadline gets to play--up to a multiple of four. Example: 14 people commit to playing. The first 12 that commit get to play. We'll contact people to help find subs for the next few days and try to get 2 more people for a 4th table. If we're able to get 2 subs to commit, great; if not, the 13th and 14th that requested to play will be 'waitlisted', meaning we'll call them if someone's a late cancellation.
