President's Column

GTCC is looking to get a jump start for next year and we're asking for your help. Membership packets for the 2008 season have been mailed out and we're seeking your feedback. Please take a few minutes to complete and return the form indicating your plans for 2008. This information will help us with planning and financial projections. Thanks in advance for getting this form returned!

Sticking with the membership theme...were you surprised to receive your 2008 membership packet so soon? The Board of Directors, staff and membership committee are determined to make a major push in the marketing and growth of Georgetown. As you are aware, our membership roster has declined over the last few years and the Club continues to face significant financial challenges. It is imperative that we increase our membership base for 2008 and ask for your assistance with this project. Please contact me or Brenda (Brenda@georgetowncc.org) to find out how to get involved and join the membership committee. Remember, existing members know better than anyone what Georgetown has to offer...**YOU** are our best recruiting tool!

We're developing a "To Do List" of projects that will need to be completed prior to opening for the 2008 season. We'll be asking for volunteers to assist with these projects which will help to save the club money. Stay tuned to future newsletters and blast emails for details.

Finally, we moved the date of the monthly Board meeting for October. It is now scheduled for Monday, October 22nd at 7:00PM in the clubhouse. As always, please join us if you can.

Best regards,
Eric Stepnitz
2007 Board President

Board of Director Candidates

Alan Matney

My name is Alan Matney and my family joined the club in the summer of 2003. I have been married for 21 years to my lovely wife Kathy, we have 3 children, Jason, Bryan and Laura. Our family currently participates on the swim/dive team and all family members utilize the golf course. Bryan and Jason both swim in the off season for the Saline Stingrays and Laura has proven herself as a true aquatics performer as she is a member of the swim, dive and synco team. Georgetown is a place where my family can gather with friends to relax and enjoy outdoor activities.

I have an engineering degree from THE University of Michigan with an MBA from Eastern. I have worked in automotive industry for over 20 years designing, developing and delivering cost competitive interior designs. I hope to contribute to the GTCC organization by offering my services as a Board Member.

Bill Kincaid

I am presently a member of the Board of Directors, appointed to fill out the unexpired term of Adriana Nichols. I am requesting that I be considered a candidate for election to a full term. I will bring to the board a broad administrative and financial background and believe I can make a significant contribution to its efforts.

I have been a club member since 1976. We had a family membership while our children were at home, kept a social connection for several years thereafter, and I took a senior membership when I began playing golf. I am active in two golf leagues at the club: the Tuesday morning Senior Mixed League and the Wednesday evening Men's League. I am presently serving on the Board's Golf and Membership Committees. In addition, I have been actively involved in the Junior Discretionary Evaluations.

I am a retired USAF officer and have had extensive experience in inter-agency activities. I served in Vietnam in 1968-69 and ended my career on the faculty of the Air Force Command and Staff College.

I came to Ann Arbor to obtain a Ph.D. in International Relations/Russian Studies, but did not complete my degree. I remained with the university in administrative positions and as an instructor in the Political Science Department. I am also retired from the University.

From 2002-06, I was an elected member of the Ann Arbor District Library's Board of Trustees and participated in the successful resolution of the long-standing impasse in the contract negotiations between the Board and the unions and in the design/building/opening of three library branch buildings. I was the Board's Secretary for two years and served on the personnel (Chair, 2005-06), budget and finance, community relations, and technology committees.

In Ann Arbor, I have been very active at my church, First United Methodist, and held several key lay staff positions; I sing bass in the church choir. For many years, my wife and I have participated in the annual "Messiah" community sing-along; Betsy is the organist for this performance.

I am a bagpiper with the Ann Arbor Pipes and Drums and have been elected twice as the band's manager, sharing leadership responsibilities with the Pipe Major. My specific duties include the scheduling of performances and parade dates, negotiating payment as appropriate, arranging for rehearsal space and payment as appropriate, and publicity.
